

Would you like your
IT infrastructure to
be invisible to your
company?

ENCORA POWER

ENCORA IS A GLOBAL COMPANY, WITH A PRESENCE IN THE AMERICAS
AND EUROPE, OFFERING QUALITY ICT SERVICES TO ITS CUSTOMERS.

AN INFRASTRUCTURE EXPERT TRAVEL PARTNER

ENCORA POWER goes far beyond a simple outsourcing or an externalisation of services, it is to rely on an **expert travel partner** in **infrastructures** that will treat your IT systems thinking about what is best for your company.

It is a set of services proposed in a **scalable way**, fully flexible to every need and above all in a **transparent way**.

SERVICES SPECIFIC WITH LEVELS OF SCOPE

ENCORA POWER is a group of managed services, which can be contracted individually, with different levels of scope.

Given our great expertise in areas such as Microsoft, databases, backup, virtualisation, etc. we are able to provide a transversal service to our clients.

Infrastructure
(Private Cloud)

Cybersecurity

Hybrid Cloud
(Public Cloud)

Data
protection

Monitoring

Business
continuity and DR

Strategic ICT
consultancy

Digital workplace
(O365)

**FLEXIBILITY
AND ADAPTATION
ACCORDING TO
YOUR NEEDS**

WHY ENCORA POWER?

- Because we don't just care about meeting the SLA, we care about your and your company's satisfaction with the quality of our service.
- Because we believe in collaborative work and not in closed work silos.
- Because we believe that managed services have to be something flexible and adaptable to the business realities of each moment.

- 
- Because we not only operate and manage your IT infrastructures, but we make sure they evolve with your company.
 - Because we have an exceptional team, with a lot of experience, commitment and passion.
 - Because we make sure that your infrastructures are protected against the most modern and advanced cyber threats.
 - Because we believe that the basis for offering a quality service is honesty and transparency.

**BECAUSE YOUR SATISFACTION
IS OUR SUCCESS.**
